

Payment is due before sessions. Online sessions are card only, while for in-office or outdoor ecotherapy sessions we accept cash or card.

The Calyx Institute offers a tiered rate system, based on the client’s financial considerations. This is to ensure greater access to our services. We operate on the honor system and allow each client to determine their own rate (Full, Middle or Base).

- Full Rate: \$90.00
- Middle Rate: \$65.00
- Base Rate: \$40.00

Use the chart below to help you determine an appropriate amount for your session.
